

Monday 21 March 2022 - Digital Oil & Gas Conference	
10:00	Welcome Remarks by the Chairperson: Abbas Zaidi, Consultant to the CEO, GUTECH/ Oman Education Services
10:10	<p>Panel Discussion: Challenges and opportunities digitalization creates for the Oil & Gas industry and how this potentially can be translated to societal value</p> <p>Moderator: Abbas Zaidi, Consultant to the CEO, GUTECH/ Oman Education Services</p> <ul style="list-style-type: none"> ● Samir Hassan, Chief Executive Officer, Knowtified ● Riyadh Moosa, CEO, Innovateq ● Peter Cunningham, Director, Serafim Ltd ● Soudip Roy Chowdhury, Founder and CEO, Eugenie.ai
11:00	Data Acquisition -High-performance smart Data Acquisition system Jørgen Nordhuus, Managing Director, FieldAQ AS
11:30	Journey to Autonomous Enterprise Ramnarayan Varma, Founder and CEO, 10xds
12:00	Cyber AI - Completing the AI loop James Machin, Country Manager, Darktrace
12:30	Drilling optimization by real-time machine learning – showcasing successful field cases Olav Revheim, CEO, Exebenus AS
13:00	Networking Break
14:00	Digital Transformation to Enhance Physical Asset Performance Hussain Al Naamani, Team Lead (Technical Integrity, Asset Integrity & Reliability Management), OQ
14:30	Sustainability - Market volatility – Profitability? AI to the rescue Nezar Souissi, Digitalization Solutions Architect, Siemens Energy
15:00	How fast network solvers and general-purpose asset models (GAMs) change the digitization of oil and gas Peter Cunningham, Director, Serafim Ltd
15:30	How to Use a Unified Data Model to Operationalize Data from Multiple Sources for Increased Production Gain David Gönczi, Reservoir Team Lead, Datagratiön
16:00	End of Day-1

Tuesday 22 March 2022 - Digital Oil & Gas Conference	
10:00	<p>Panel Discussion: Digital technologies shaping the future of Oil and Gas Industry</p> <p>Moderator: Soudip Roy Chowdhury, Founder and CEO, Eugenie.ai</p> <ul style="list-style-type: none"> ● Nezar Souissi, Digitalization Solutions Architect, Siemens Energy ● Elias Tang, CEO, Advanced Simulation Matrix Technology ● Hassan Abdul, General Manager, Oman Data Park ● Amr Hujainah, MEA Digital transformation Manager, Schlumberger
11:00	<p>Future Outlook of Oil & Gas industry: Increased Net Oil and Lower Associated Carbon</p> <p>Brent Brough, COO, InflowControl AS</p>
11:30	<p>Can digital transformation be complete without a major overhaul of the knowledge transfer process?</p> <p>Samir Hassan, Founder & Chief Executive Officer, knowtified</p>
12:00	<p>The importance of X-AI as a tool for the oil & gas to achieve decarbonization, meet ESG goals and net-zero targets.</p> <p>Soudip Roy Chowdhury, Founder and CEO, Eugenie.ai.</p>
12:30	<p>Experiential Learning and Digital Twins-Bringing Industry 4.0 Technologies to Live in Energy Sector</p> <p>Elias Tang, CEO, Advanced Simulation Matrix Technology</p>
13:00	Networking Break
14:00	<p>Microfluidic Solutions for Rapid and Dynamic IOR/EOR Process Screening</p> <p>Dr Jonas Wegner, CTO, The HOT Energy Group</p>
14:30	<p>Accelerating the digital transformation of a \$3B petrochemical group Learnings and return on experience</p> <p>Jean Paul Sacy, Vice President, Lummus Digital</p>
15:00	<p>IA2IA - Industrial Automation to Industrial Autonomy</p> <p>Saptarshi bhowmick, Manager - Sales & Marketing, Yokogawa Middle East & Africa</p>
15:30	<p>Stay ahead of cyber attacks</p> <p>Ahmed Khalifa, Cyber security Director, Siemens energy</p>
16:00	End of Day-2

Wednesday 23 March 2022 - Digital Oil & Gas Conference	
10:00	Leveraging the power of Digital and AI to tackle Oil & Gas industry challenge Amr Hujainah, MEA Digital transformation Manager, Schlumberger
10:30	Energy efficiency monitoring from the perspective of integrated asset management in a new era Wim Servaes, CTO, Innovateq
11:00	Leveraging AI for predictive maintenance as a stepping stone towards sustainable operations Sangam Chaturvedi, Head of Customer Success, Eugenie.ai
11:30	Smart manufacturing impact from sensors to boardroom Hirofumi Takahashi, General Manager for the Digital Solutions Business, Yokogawa Middle East & Africa
12:00	What is QHSE , why its integral for your business to utilize QHSE program when growing your organization Nadhar Al numani, QHSE Specialist, OSOS Farrukh Ghufuran, Territory and Sales manager for Dubai & Oman, OSOS
12:30	Factors Influencing Industry 4.0 Implementation: Evidence From Oil And Gas Firms Prof. Abdelghani Benayoune, Head of Research and Graduate Studies, International Maritime College Oman
13:00	End of the Conference
